#### 7.1 GENERAL TERMS & CONDITIONS

1. Subject to the reserve price, if any, fixed by the SELLER and subject to the terms and conditions set out herein, sale shall be made to the HIGHEST BIDDER on "AS IS WHERE IS BASIS" and "NO COMPLAINT BASIS." The Seller does not undertake any responsibility to procure any permission/license etc. in respect of the auction property offered for sale.

2. SELLER reserves the right to modify and amend the terms & conditions and announce the same at any time before the entire auction concludes. Announcements during the auction in the auction room on the website and changes made in the catalog including start price, bid increment/decrement, extension of time for lots where received bids / no bids are received, and any other additional conditions OR correction in the catalogue and/or additions or deletions of items being offered for sale are being done with the consent and knowledge of the seller, and it is binding on the bidder. Bidders are advised in their own interest not to leave the auction room till the entire auction is closed.
3. Participation and bidding in this Auction shall be treated as conclusive evidence of the fact that the bidder has inspected the Auction Property and the documents pertaining to it and is satisfied in all respects regarding quantity, quality, condition of the Auction property, taxes and duties, and other extraneous factors and the Principle of Caveat Emptor (let the buyer beware) will apply. It shall also imply that the bidder has carefully gone through and understood the terms and conditions of Auction including the amendments if any, prevailing at the time of Auction. Seller/MJunction will not entertain any complaints or objections once Bid is placed.
4. Seller./ MJunction does not give warranty or guarantee of the quality, quantity, measurement, condition Chemical composition of each individual item/s or lot/s that form the auction property and about its "End Use" or fitness for a particular purpose.
5. The highest bidder does not get any right to demand acceptance of his offer. SELLER reserves the right to accept/ reject/ cancel any bid, withdraw any portion of the Auction Property at any stage from Auction even after acceptance of bid/ issue of delivery order or release order/ deposit of full value by successful bidder without assigning any reason thereof. In the event of such rejection/ cancellation/ withdrawal, SELLER, shall refund the value of Auction Property, if paid for, to the successful bidder. SELLER shall not be responsible for any damages/loss whatsoever to the successful bidder on account of such withdrawal.
6. In the event of failure on the part of the successful bidder to fulfill his contractual obligations, seller / MJunction reserves the right to debar such bidder from participating in any future auction conducted by MJunction on behalf of seller.

### Delivery

1. On receipt of full Sale Value along with applicable ED/VAT/ Sales Tax/TCS & other Charges by the Seller, the mjunction will issue final Sale/ Delivery/ Release Order to the Buyer thereby enabling him to lift the materials on immediate basis.
2. Lifting of materials will be allowed only as per schedule to be confirmed by Seller on finalization of bid. on all working days. Successful bidders should ensure that the material clearance is as per the seller's instructions. Neat and clean maintenance of the stockyard from where the material is lifted is the responsibility of the successful bidder. In the event of non-adherence to the above by the successful bidder, seller will reserve its rights to impose penalties/forfeiture of EMD and other payments collected.
3. If the goods sold or portion thereof remain un-cleared in the premises of the seller beyond the stipulated period, the amount of the un-lifted assets shall be forfeited and the un-lifted portion of the assets may be removed at the risk and cost of the buyer.
4. While taking delivery of the material, it will be at the discretion of the seller or its authorized representative to direct the manner / order in which the materials or lots shall be removed. No segregation of the items of any lot is allowed inside the seller's premises.
5. **Breaking/ cutting may be allowed to the extent necessary for facilitating loading into vehicles as per the discretion of the seller. No gas cutting equipments or any equipment, which are likely to cause damage, will be allowed in the premises. Only safe oxy-acetylene gas cutting equipment will be allowed with permission of seller. The decision of the seller or his authorized representative shall be final in this regard.**
6. The buyer shall arrange for all tools and tackles, forklifts and hoists or cranes or labour at their own expenses and Seller will not provide any equipment's for lifting purpose.
7. It will be successful purchaser's responsibility to weight the empty Truck at the weighbridge and produce the weight certificate so that the weight of the

empty truck will be deducted from the weight of the fully loaded truck.

8. Should the original purchaser wish to take delivery of the surplus material through a representative, he must authorize the latter by a letter of authority or continuing authority, which shall be presented to the seller. The seller may in his entire discretion decline to act on any such authority and it shall be for the purchaser to satisfy the seller that the authority is genuine. Delivery to such authorized person will constitute valid delivery and no claim shall lie against the seller on any account thereafter.
9. Once the goods / materials are taken out of the factory gate, purchaser will be solely responsible for all sorts of claims like shortage, missing parts, damage, incident, accident, loss of material etc.
10. Resale will not be recognized. The purchaser shall not be entitled to resell any lot or part of a lot while goods are still lying within the premises of the seller and no delivery would be effected by the seller to any person other than the Purchaser whose names are mentioned in the sale order/Delivery order.
11. Purchaser and his men are subject to the security rule of seller in force while in the seller's premises. The purchaser/s, their workmen agents or representatives shall not commit any nuisance, theft or indulge in any antisocial activities in the seller's premises and the purchaser shall be liable for the good conduct, safety & discipline of his workmen. In case of any such activity, delivery will be suspended and strict action as per law will be taken including forfeiture of EMD.
12. While taking delivery of the material, the Purchasers shall be responsible for any damage that may be done to premises / fittings of the SELLER in the course of removing the lot or lots purchased by them. The SELLER may at its option arrange to make good such damages and the purchaser shall pay for the same on demand. If such payment is not made on demand, the SELLER may forfeit the EMD/Security Deposit or May stop delivery of the material till payment is made.
13. SELLERS will not at any time be responsible for any injuries caused due to accident within its premises either to the buyer or his representative / labour etc., and the buyer will make proper arrangements for any claim arising out of the employment under any status. It is the responsibility of the buyer to provide necessary safety appliances (like hand gloves / safety shoes etc.) to the labour, who are engaged for loading the materials or any other activity relating to this contract.
14. If any accident or damage to the property / life etc. arises by reason of any act of negligence / omission / default or non-compliance with any of the Terms & Conditions or statutory regulations, rules or ESI as may be applicable and regulations applicable within the Seller's premises, on the part of the Buyer / his representative or employees, resulting in death or injury to any persons or damages to the property of the SELLER or any third party, then in such an event the Buyer will have to pay compensation to such person including the employees of the SELLER for such accident or injury / death or damage caused to their employees or to any of the Seller's employees or to others or to the Seller's property. The Buyer shall in such event, keep the SELLER fully indemnified from any demand, claims or proceedings thereof.
15. It is Buyer responsibility to lift the material till validity of contract as per schedule provided by Seller. Also buyer shall be responsible for all material (for which it would be finalized for lifting material) to lift as is where is basis and buyer shall take care that such material should be prevented from water/rain etc., in the absence of that buyer shall lift material as routine material without any fail at finalized rate of bid. Any remaining material, left at the end of contract period, shall be lifted by buyer (successful bidder) as per instruction of Seller.
