GENERAL RULES AND REGULATION GOVERNING CONDUCT OF ONLINE AUCTIONS ON THE “SERVICE PROVIDER” PLATFORM INTRODUCTION: This Online Forward Auction is being conducted for Bokaro Steel plant, Steel Authority of India Ltd (hereinafter referred as the “Client”) on the Auction Platform of M/s mJunction Services Limited, (hereinafter referred as “Service Provider”). The General Rules and Regulations provided herein govern the conduct of on line Forward Auctions arranged by “Service provider” on its Auction Platform. These rules cover the roles and responsibilities of the parties in the online Forward Auctions on the Auction Platform. Acceptance in-Toto to these General Rules and Regulations governing conduct of online auctions, and Terms and Conditions for Sale of Materials by tender or online auction, of BokaroSteel Plant is a pre-requisite for securing participation in the online auctions.

The key terms pertaining to the online Forward Auctions are provided in the “Annexure-D”. Prospective bidders are advised to read through the same.

ROLE OF “SERVICE PROVIDER”

1. “Service Provider” is the agency (operator) primarily providing the service of the Forward auction to the “client”.
 2. Finalisation of the auction items in consultation with the client.
 3. Collection of EMD, Letter of Interest etc. from the willing bidders and forwarding the same to the Bokaro steel Plant (Client).
 4. Defining of bidding rules for each auction in consultation with the client.
 5. Enhancing bidder awareness of and comfort with the auction mechanism and bidding rules
 6. Enlarging the customer base by introducing new bidders.
 7. Input of the Auction items and defining the bidding rule in the auction engine.
 8. Providing access to the approved bidders to participate in the Auction.
 9. Summarising the Auction proceedings and communicate the outcome to the Client.
- The responsibility of fulfilment of the contract rests between the bidders and the client and the responsibility of the “Service Provider” shall be restricted to the extent of the services provided by them.

ROLE OF BIDDER: The role of the bidder is outlined below:

1. The bidder would participate in the auction with the aim of bidding to secure the auctioned item in the auction.
2. The bidder would be provided access to the Auction through a "User ID" protected by a "Password". The bidder needs to ensure that the "User ID" and "Password" is not revealed to unauthorized persons. Bidders are also requested to change the password allocated to them by the "Service Provider" to keep their confidentiality. However it would be bidder's sole responsibility to ensure the security and privacy of the same and he/they would not hold the "Client" / "Service Provider" responsible in any manner whatsoever for any misuse of these user IDs and/or Password. Access to the auction mechanism shall be provided to all the approved bidders subsequent to obtaining their written consent to the General Rules & Regulations and the Letter of Interest. Payment of Earnest Money Deposit (EMD) as decided by the client minimum One day before the conduct of the Forward auction will be one of the necessary conditions for participating in the auction.
3. Bidders hereby confirm that they shall commit to take delivery of the items/Lots (being bid for) at the price entered by them in the auction engine AND at the terms and conditions specified herein by the Client. All Prices entered shall be legally binding on the bidders. Bidders are strongly advised to exercise due diligence while placing bids. Failure to honour the bids placed during online bidding shall render the bidders liable for penal action as deemed fit by "Client" / "Service Provider".
4. In the event of winning an allotment in the auction mechanism, the bidder shall commit to fulfil outlined obligations under the contract.

The bidders shall bid on the terms specified by the client & place their bid in the auction engine in the manner specified by "Service Provider". The bidders shall not stipulate any conditions on their own unless the terms of the client (the client's terms & conditions) expressly permit such conditions being stipulated by the bidder. Bids entered with conditions attached shall be considered Conditional bids & "service provider" retains the right of rejecting these bid even without intimating the client.

BIDDING RULES: The Bidding Rules refer to the information and terms defined specifically for a particular auction. The purpose of the Bidding rules is to provide approved bidders with the information and terms specific to the auction in which they are bidding. This would include:

- Definition of the unit bidding
- Start Time and duration of the auction.
- Any extension of the duration of the auction in the event of bids being received towards the end of the pre-specified duration
- Start Bid Price
- Specified Unit for Bidding
- Price Increments and any reduction in the price increment in the auction in the event of Inactivity
- Other attributes (informational/non-negotiable in nature)

While it shall be the endeavour of "Service Provider" to specify these rules at the earliest for each online auction, the "Service Provider" shall retain the right to delay the announcement of these bidding rules or modify rules specified earlier at the time of the online bid. These details would be available to the bidders on the Auction Engine at the time of bidding.

Participation in the auction process presumes complete awareness and understanding of the bidding rules.

CONDUCT OF THE AUCTION: Only those bidders who have been approved by the "Client" and handed over stamped and manually signed "General Rules and Regulations governing conduct of online auction along with Letter of Interest, required EMD amount and other necessary documents to the "Service Provider" at least 01 day prior to the start of online auction will be given "Login ID" and "PASSWORD" to enable them view and participate in online auction unless any deny received. However a time of 10 working days shall be provided for in-between the date of the On line Auction Notice and the date of On line Forward auction so as to give sufficient time to the eligible bidders to be ready in all respect for taking part in the Online Forward auction. The Auction shall be conducted on pre-specified date.

The Key Terms pertaining to the conduct of Auction such as "START TIME", "DURATION", "END TIME" AND "AUTO EXTENSION FACILITY" Shall be specified separately for each Auction.

"Service provider" retains the right to cancel or reschedule the auction, with the approval of the Competent Authority of the Client, on any of the following reasons:

- The number of confirmed bidders is deemed insufficient to conduct the auction
- Some of the confirmed bidders are unable to access the module due to infrastructure problems such as sustained power failure or telecommunication breakdown.
- There are no bids, which are equal to or below Start Bid Price.
- Any other reason which in the opinion of "Service Provider" / "Client" requires such action to

be initiated. The duration of auction may also vary from the pre-specified period of time either on account of termination of the auction by "Service Provider" on the advice of the Client Or In case of situations where it is felt that continuance of the auction proceedings is prejudicial to the smooth conduct and / or the integrity of the auction process. Or Due to Auto Extension during the Auction, duration may increase from specified period.

In the event of any problems being faced in the smooth conduct of the auction, "Service Provider" with the approval of the Competent Authority of the Client, shall have the right to undertake one or more of the following steps:

- Cancellation/ premature termination of the auction with/ without a subsequent rerun of the auction on a mutually decided date
- Cancellation of a bid
- Locking/ deactivate bidder's account (suspension of operations in the account), etc.

In case of failure of net connection, bidder will give his best price to the "Service Provider". "Service Provider" will bid on behalf of the bidder with the minimum increment until the bid price reaches the best price offered by the bidder, by proxy bidding mechanism.

The best price communicated by the bidder will have to be authenticated by written confirmation or fax to the "Service Provider" and will be kept confidential between the "Service Provider" and the bidders. Bidder will be bound by the price offered.

LIABILITY OF "SERVICE PROVIDER"

"Service Provider" shall not be liable to the client/ bidders participating in the auction or any other person(s) for:

- Any breach of contract by any of the parties in the fulfilment of the underlying contract. Any delays in initiating the online auction or postponement / cancellation of the online auction proceedings due to any problem with the hardware / software / infrastructure facilities or any other shortcomings. While, reasonable care and diligence will be taken by "Service Provider" in discharge of its responsibilities such as design of the online bid, communication of bid details and rules, guidance to client / bidders in accessing the Auction Engine and placing bids, etc. the bidders shall specifically indemnify "Service Provider" from all liabilities for any shortcomings on these aspects. It is clearly understood that these activities are undertaken by "Service Provider" to assist the bidders in participation but the ultimate responsibility on all the securities lies totally with the bidders.

RIGHT OF THE CLIENT: The Client reserves the right to partially or totally accept or reject any / all bids placed in the Online Auction without assigning any reason whatsoever. The decision of the client would be final and binding on the bidder in any such case.

CONFIDENTIALITY CLAUSE: "Service Provider" undertakes to handle any sensitive information provided by the client or confirmed bidders for the auctions conducted with utmost trust and confidentiality.

JURISDICTION: Any disputes relating to the online auction module shall be subject to the sole jurisdiction of Court of Law having jurisdictions over the Plant from where the materials are being sold. On line Auction conducted at Bokaro Steel Plant shall have exclusive jurisdiction of Bokaro Civil Court.

ANNEXURE D

DEFINITION OF KEY TERMS:

Auction: Auction refers to a forum where the requirement for one/more lots of an item is stated and the participants (bidders) are required to bid down the price to be selected to supply the requirement. Online Auctions. Online auctions refer to those auctions conducted through the Internet with the bidders (from one or more locations) simultaneously bidding to be selected for supplying the item/s on auction. In other words, the venue for the auction is on an Internet website / platform. The "Service Provider's" website assigned by "Service Provider" would constitute venue for the purpose of the online auction.

Award at the Auction. In a single winner format, only one bidder (normally the bidder who quotes the highest price) is awarded all the units of the item being auctioned. The bidder quoting the highest price is normally allotted the item.

Client: Client is the individual / business entity who has contracted "Service Provider" to conduct such auction. In case of auction, the purpose would be the genuine intent to sell the selected items/Lot to the bidders desiring to buy these items from the Client.

Bidder: Bidder is the individual / business entity participating in the auction, intending to buy the items/Lots from the Client. To become a Bidder in the auction, a business entity has to secure client approval for participation and also provide written assent to the General Rules and Regulations Auction Engine. Auction Engine refers to the software that encapsulates the entire auction environment, processing logic and information flows. "Service Provider" is the sole owner of the auction engine and retains exclusive right over the utilization of the same.

Timings of the Online Bid: All the timings of the Online Bid shall be based on the time indicated by the Server hosting the Auction Engine. It shall be the endeavour of "Service Provider" to ensure that the Server Time reflects as closely as possible the Indian Standard Time (IST) i.e. GMT + 0530 hrs. However, in the event of any deviations between the Server Time and the Indian Standard Time, the functioning of the Auction Engine (Launch, operation, and closure) would be guided by the Server Time. Bidders are advised to refresh both the windows of the Auction Module check the exact Server Time (displayed in both the windows).

Preview Time: Preview Time refers to the period of time that is provided prior to the commencement of bidding. This is to facilitate approved participants to view the auction details such as item specifications, bidding details and bidding rules. The purpose is also to familiarize participants with the functionality and screens of the auction mechanism. It is not mandatory for "Service Provider" to provide Preview Time.

Start Time: Start time refers to the time of commencement of the conduct of the online auction. It signals the commencement of the Price Discovery process through competitive bidding.

Duration of the Auction: It refers to the length of time the price discovery process is allowed to continue by accepting bids from competing bidders. The duration of the auction would normally be for a pre-specified period of time. However, the bidding rules may state the conditions when the pre-specified duration may be curtailed/ extended.

The conditions include:

- Curtailment of auction duration in the event of no bids for a specified period of time (InactivityTime)
- Automatic extension in the event of bids being entered towards the end of the scheduled duration to facilitate the other bidder to view and react to the bid.

Auto Extension of the Auction Timings: In the event of bids in the last few minutes of the scheduled bid time, the Bid Timings are automatically extended for a specified period from each such bid. Such Auto Extension shall continue until no bids are placed for the specified period (Engine remains inactive for the specified period). The Inactivity Time for Auto Extension purpose is normally X minutes. "Service Provider" however retains the right to change the same. The Inactivity Time applicable for the particular Online Bid shall be visible to the bidders under the Bidding Rules module on the engine.

End of the Auction: End of the Auction refers to the termination of the auction proceedings signalling an end to the price discovery process.

Auction Report; "Service Provider" would provide an Auction Report to the Client containing a summary of the auction proceedings and outcome. The Auction Report would constitute the official communication from "Service Provider" to the client about the outcome of the Auction.

12. In case the date of online auction becomes a holiday the auction will be opened on the next working day. The Management reserves the right to accept or reject any or all the online auction/ tenders without assigning any reasons thereof at any stage.

13. Conditional On line auction Auction/Tenders: Conditional bids will not be considered.

14. No picking, sorting, cutting, cleaning or breaking up of goods of materials sold will be permitted, except in certain special circumstance where prior sanction for such permissions has been accorded by the Management. Such permission will be accorded only for cutting or breaking of heavy/big pieces into loadable sizes and not processing.

15. Whenever permitted, the purchaser shall carry out cutting, breaking and dismantling of the sold good for delivery in pieces under the supervision of authorized representative of Loading Unit/Delivery department.

16. The delivery Department will ensure proper identification of the items / equipment / installations and marking on them during cutting and dismantling works in order to avoid mixing of the sold items with any other assets of BSL. However, before starting the dismantling work, written approval of HOD concerned shall be obtained from Delivery Department / Loading Unit.

17. Shortage of goods: Where goods are sold in lots and not in number or units, any reference to the quantity, quality, size, measurement number and weight in the notice or other documents shall not be a point of dispute and the purchaser shall have no claim against the Management for refund of whole or any part of the purchaser's money or for loss of profit, of interest, damage or otherwise. Where materials are sold by weight or number and the purchaser fails to obtain delivery of the whole or a portion of the goods sold, he shall be entitled to make a claim for the proportionate refund of the sale value of the undelivered quantity. He shall not be entitled to claim any damages, loss, profit, interest or compensation on any account due to such short delivery.

18. Re-Sale: The Management will not recognize Re-Sale. Sale Orders and release orders will be made out only in the name of actual Bidder or tenderer (Sold-to-Party).

19. Custody and preservation of goods after sale : The materials shall remain in every respect at the risk of the purchaser from the date of Sale Order/ contract is issued to the purchaser. The Management shall not be under any liability for the safe custody or preservation thereof from that date.
20. Withdrawal of goods from sale: The Management reserves the right to withdraw at any stage from the sale after advertising or after issue of Sale Order / Delivery Order any items or any quantity of the materials by number or weight without assigning any reasons thereof to the purchaser. Sale Value for the materials so withdrawn, if any, paid by the buyer, will be refunded. The Management will not be responsible for any damages/ loss what so ever to the purchaser on account of such withdrawal. SAIL / Bokaro Steel Plant reserves the right to reject any or all applications / offers partially or fully at any stage of the process / tenure or modify the process/ tenure or any part / term thereof any time without assigning any reasons.No Financial obligations ,whatsoever, shall accrue to Sail /BSL in such an event.
21. The Management reserves the right to dispose off any item by other means even after inviting Bidding/tenders for sale of such materials.
22. Abandoned Goods: The customer must effect complete removal of the goods from the site within the date specified in the release order / delivery order issued by SAIL / BSL. In case goods are not removed in full within the specified date, release order / delivery order for the left over quantity will be treated as cancelled. The goods so left over will be treated as abandoned goods at the risk and cost of the customer. SAIL will have full right on such abandoned goods and will be entitled to release or dispose off the same in any manner it deems fit without any reference to the customer. The customer will have no claim on goods treated as abandoned goods. In addition to forfeiting such abandoned goods, the value of the left over material, SD will also be forfeited and customer debarred for 1 month for participating in the OLFA from the date of issue of forfeiture .Penal action shall be taken as per special terms & conditions. The customer shall further be held liable for all commission and other charges and losses suffered by SAIL, which may be recovered from the Security deposited or any other sum due to the customer.
23. Damage to Plant Properties: The purchaser shall be fully responsible for any loss / damages that may be done to the premises, equipment, machineries, and other installations of the Plant or person in the course of removing the lot/ items bought by him, and the purchaser is fully liable to reimburse to the Management the cost of such damages. The Management fully reserves the right to recover the cost of such damages from any sum due to the purchasers or through legal action whatsoever.
24. Entry Passes to the Plant: Admit / Area/ Gate Passes are issued to the representative of the purchaser by the officials of CISF, Bokaro Steel Plant, on the recommendation of the Custodian.

The purchaser and their workers should not move about freely in the Plant, or Places other than they are required to visit for the purpose of taking delivery of materials purchased. Free movement of purchaser and their workers to any other area on the strength of the admit passes issued for particular area/ place/work is against Security Act. Purchaser are advised to enforce this requirement strictly and restrict their movement in the Place / Area specified in the admit passes or the place of taking delivery of concerned material. Non-observance of precautions under the Public Security Act, which may please be noted and also notified to the staff of the purchaser and workers. In case of necessity to proceed to an area, other the one noted in the admit passes, it is invariably necessary to get new area, added in the admit passes by the office of the issue. Any breach in the enforcement of safe custody and improper use of the passes would entail termination of the sale at any stage at the risk and cost of the purchaser.

- 1.9 DD – Demand Draft
- 1.10 PO – Pay Order
- 1.11 BC – Banker's Cheque
- 1.12 AIWIB – As is where is basis
- 1.13 "The Contract" shall mean and include the SAIL FA1 : General Terms & Conditions of sale from Plants & Units of SAIL for sale through online auction / Forward Auction (FA), Auction notice, General Rules & Regulations governing conduct of Online Forward Auction, Definition of key terms, Letter of interest cum undertaking, Acceptance of offer / Sale order / Offer letter, Delivery order / Release order along with subsequent amendments if any and other documents issued by SAIL pertaining to the referred auction through internet.

1.14 Online Auctions

Online auctions refer to those auctions conducted through the internet with the bidders (from one or more locations) simultaneously bidding to be selected for buying the item(s) of auction. In other words, the venue for the auction is an Internet web site / platform. The Service Provider's web site assigned by Service Provider would constitute venue for the purpose of the online auction.

1.15 Bidder

Bidder is the individual / business entity participating in the auction, intending to buy the item(s) from the Client. To become a bidder in the auction, a business entity has to secure client's approval for participation.

2 The responsibility for fulfillment of the contract rests between the bidders and the client and the responsibility of the Service Provider shall be restricted to the extent of the services provided by them.

3 Inspection of Material (for material available on ground)

3.1 The bidders are advised to inspect the materials before offering their bid prices. Interested parties will be permitted to inspect the materials as per dates / duration mentioned in the notice for online auction through Internet. Necessary entry pass / permission in case of CMO can be obtained from concerned Authority at Plant / Unit.

3.2 The bidders shall be deemed to have inspected the materials they are bidding for, whether they have inspected the materials or not and that the principle of 'Caveat Emptor' shall apply. The materials offered for sale are on "AS IS WHERE IS" (AIWIB) and "NO COMPLAINT" basis. The material will be lifted from the site of storage with all faults and errors in description or otherwise, if any. Quantity, quality, size measurement, marks and number stated in the tender documents are approximate and no warranty or guarantee shall be implied.

SAIL does not give any guarantee that the Acceptance of offer / Sale order / Offer letter quantity will be actually available. The above quantity is merely indicative and no claim for compensation / delay or for any shortfall in the quantity shall lie against SAIL.

4 For Material likely to be generated in future

4.1 The materials offered for sale which are likely to be generated in future are on "NO COMPLAINT" basis. The material will be lifted with deviations, if any. Quantity, quality, size measurement stated in the notice for online auction through Internet is approximate and no warranty or guarantee shall be implied.

4.2 If the material under sale is from arising only in the process of production, it may be provided either from the stock or future arising subject to availability.

- 5 Customers intending to participate in online forward auctions need to duly sign and stamp each page of "SAIL FA1: General Terms & Conditions of Sale from Plants & Units of SAIL for sale through Online Auction / Forward Auction (FA), General Rules & Regulations governing conduct of Online Forward Auction, Definition of key terms, Letter of interest cum undertaking" and submit them to the Service Provider along with necessary EMD as stated in auction notice. Then the Service Provider will issue a user ID and a password to the customer. In case of CMO necessary EMD as well as all the documents stated above shall be submitted to CMO branch sales office and CMO shall confirm receipt of these to the service provider so that user ID and password is issued to the prospective bidder. These documents shall be kept valid till the end of the financial year. Bidders are also requested to change the passwords allocated to them by the Service Provider to keep their confidentiality. However it would be bidder's sole responsibility to ensure the security and privacy of the same and he / they would not hold the Client / Service Provider responsible in any manner whatsoever for any misuse of these User IDs and / or password. Before actual participation, the customers may obtain necessary help from the Service Provider so as to enable them to participate in the online forward auction process, without any difficulty.

6 Earnest Money Deposit (EMD)

- 6.1 The customers shall be required to deposit a non interest bearing EMD for the amount prescribed in notice for auction through internet in the form of Demand Draft / Pay Order / Banker's Cheque / Cheque from the customer who enjoys cheque facility as the case may be on a nationalized / scheduled bank drawn in favor of "SAIL, concerned Plant / Unit" payable at concerned Plant / Unit branch as mentioned in the auction notice for auction through internet to participate in the online auction through internet process to the Service Provider.
- 6.2 Cheques will not be accepted towards earnest money deposit except from the customers who have cheque facility.
- 6.3 It will not be possible to adjust earnest money from any other sum of money due from the plant / unit, on account of pending bill, security deposit or earnest money paid towards another auction / tender.
- 6.4 Permanent customers will be those who would like to keep the EMD amount as decided by Plant / Unit to enable them to participate in all the FAs without returning the EMD. Such customers will be given permanent User ID by the Service Provider. Temporary customers will be defined as those who submit the EMD

amount as decided by Plant / Unit in each FA for participation.

6.5 Public Sector Undertakings / Govt. Departments may be exempted from submission of earnest money as per prevailing SAIL / Govt. policy.

6.6 In the case of unsuccessful bidders, the earnest money will be returned within seven working days of conduct of auction. No interest shall accrue on the amount of Earnest Money Deposit.

7 Bidders hereby confirm that they will participate in the online auction as informed by Service Provider and shall commit to lift the product (being bid for) at the price entered by them in the Auction engine AND at the terms and conditions specified herein by the Client. All prices entered shall be legally binding on the bidders.

8 Award at the Auction

In a single winner format, only one bidder (normally the bidder who quotes the highest price) is awarded the item being auctioned. The bidder quoting the highest price is normally allotted the item subject to approval of price.

9 Validity of bids

The bid quoted should remain valid for acceptance by SAIL within the specified number of days from the date of conduct of auction as stipulated in the notice for auction through internet.

10 Unsolicited offers

Bidders must be very careful to submit bids. After submitting bids, they shall not withdraw their bids or modify any terms and conditions thereof, without being asked to do so. Should the bidders fail to observe the foregoing stipulation, their earnest money deposit shall be forfeited.

11 The respective Plant / Unit reserves the right to accept or reject any or all the bids and this decision shall be final.

12 Each bidder shall, before participating in auction through internet, submit his declaration as to whether the proprietor or any partner of the firm or Director of their Company, as the case may be, has any relation with any employee working in SAIL; and if so, give the name of the employee and the relationship. Information shall also be provided whether any of them has a relationship within the meaning of Section – 6 of the Companies Act 1956 with any of the Directors of SAIL ; if so, give details.

13 Any bidder giving false information / particulars may be debarred from any future dealings with SAIL as per prevailing procedures of Plants/Units and also as stipulated in special terms & conditions of sale if any.

- 14 The bidder shall not be liable to claim any costs, charges, expenses of and incidental to or occurred by him through or in connection with his submission of bids.
- 15 Joint participation in bidding by two or more firms shall not be accepted.
- 16 SAIL reserves the right to defer or prepone date for conduct of auction through internet mentioned in the notice for auction through internet at its sole discretion. Conditional bids will not be considered.
- 17 Unless specified otherwise all the payments whether against EMD and Security Deposit and value of materials as advance, shall be subject to the following :-
Payment should be made by way of Demand Draft / Pay Order / Banker's Cheque / Cheque from the customer who enjoys cheque facility on a nationalized / scheduled bank drawn in favor of "SAIL concerned Plant / Unit" and payable at concerned Plant / Unit branch as specified in the notice for auction through internet.
In the process of encashment of such DDs / POs / BCs / Cheques, if any bank collection charge is paid / involved, the same shall be debited to the customer / Successful bidder.
No interest shall be payable against any deposit whatsoever whether the same is as EMD or Security Deposit or Advance value of materials, regardless of whether the contract is wholly or partially executed or remain unexecuted.

18 Acceptance of Offer / Sale Order / Offer Letter

When a bid is accepted by SAIL, the successful bidder shall be notified by an "Acceptance of offer / Sale Order / Offer Letter" which will be dispatched by post / courier / fax / email or handed over to the authorized representative of customer. This will indicate relevant details viz. description of goods, quantity, accepted rates, sale value, sales tax, other taxes & duties applicable on date, total amount of Security Deposit (if applicable) to be submitted, the time within which the Security Deposit is to be deposited, and last date of making payment / completing commercial formalities.

19 Security Deposit and Payment towards material value

- 19.1 The successful bidder shall be required to furnish security deposit (if applicable) and the amount against value of materials including taxes & duties applicable as per details indicated in the Acceptance of offer / Sale order / Offer letter by way of Demand Drafts / Pay Order / Banker's Cheque / Cheque from the customers who enjoy cheque facility as the case may be on a nationalized / scheduled bank drawn in favor of " SAIL concerned Plant / Unit " and payable at concerned Plant / Unit branch mentioned in the "Acceptance of Offer / Sale Order / Offer Letter " within the stipulated time, failing which his order will stand cancelled and his EMD will be forfeited.

- 19.2 No interest shall accrue on SD.
- 19.3 SAIL will be entitled to recover from the security deposit all the money due to SAIL concerning the sale and other statutory liabilities of customer.
- 19.4 The refund of Security deposit is subject to the satisfactory execution of the auction. The security deposit will be refunded within 15 days of completion of lifting and claimed by the party.
- 19.5 Taxes and Duties
- 19.5.1 All taxes and duties whether local, state, central or any other shall be payable by the customer in addition to the sale value as applicable for each item at the prevailing rates as on the date of delivery. For all purposes, the date of invoice shall be deemed to be date of delivery. In case the customer wish to avail of concessional rate of Sales Tax as may be applicable as per statute, then the customer shall have to produce declaration in statutory forms as per rules to avail concessional rate of Sales Tax. Otherwise sales tax at full rate will be charged.
- 19.5.2 In the event of dispute in regard to GST authorities levying additional charges for any reasons whatsoever, such duty / charge shall be payable by the customer.
- 19.5.3 The penalty imposed by the GST authorities for non-observance of GST procedure by the customer shall be borne by the customer.
- Clauses no. 19.5.2 and 19.5.3 are not applicable in case of stockyard deliveries.
- 19.6 Failure to make payment
- In the event of failure on the part of the customer to make full payment against security deposit (if applicable) / value of the material within the date specified in the acceptance of offer / sale order / offer letter, SAIL, may at its sole discretion, cancel the contract and forfeit the earnest money / security deposit as per terms & conditions of sale of the concerned Plant / Unit without issuing any prior notice to the customer or assigning any reason thereof.

20 Release Order / Delivery Order

- 20.1 On receipt of full payment from the customer, SAIL will issue a "Release Order / Delivery Order" indicating the last dates within which the goods have to be removed, to enable the customer to take delivery of the goods.

- 20.2 The customer who has signed the documents as mentioned in clause no 5 is required to sign on the Release Order / Delivery Order for taking delivery. If this is not possible and if the customer desires to take delivery through his authorized representative, he must authorize the nominated person by a letter of authority which has to be presented to the concerned departments. The letter of authority shall bear the specimen signature of the authorized representative duly attested by the customer. SAIL, may at its sole discretion, decline to act on any such letter of authority and it shall be in all cases, for the customer to satisfy the concerned department that the authority is genuine.

21 Delivery

- 21.1 The delivery of the materials will be effected 'In situ' by the Management. The goods sold will have to be removed by the customer from the site within the date specified in the release order / delivery order.
- 21.2 Delivery of materials will be made during working hours on all working days on presentation of the release order / delivery order by the customer to the concerned officer in-charge, who may suspend the release order / delivery order for a particular period of time for want of any clarification or other technical / operational reasons.
- 21.3 The customer will make their own arrangement for collection / removal and transportation of items / lots purchased and will not be entitled to claim any facilities or assistance for the transport / removal of the goods / lots from the plant / unit premise. SAIL may subject to the availability, extend at its discretion certain facilities such as cranes etc. on chargeable basis for handling the lot. The fact that such application has been made to SAIL or any delay on the part of the management to grant such facilities does not entitle the customer for any extension of the delivery date.
- 21.4 No picking, sorting, cutting, cleaning or breaking up of goods or materials sold will be permitted except in certain special circumstances where prior permissions have been accorded by the management in writing. Such permission will only be accorded on the quantity for which payment has been made.
- 21.5 Where the material will be sold on 'FOT' basis, the material will be loaded by the company into trucks to be brought by the customer.
- 21.6 Delivery through proxy will be at the sole risk and responsibility of the customer and no claim shall lie against SAIL on this account, whatsoever, if delivery is effected to wrong persons.
- 21.7 Where goods are sold by weight, delivery will be given on actual

weighment. The weight of the empty and full truck / trailer / wagon will be taken on the weighbridge installed in the SAIL Plant / Unit (or in any of the public weighbridges at the discretion of concerned Plant / Unit) and the net weight so recorded shall be acceptable and binding on the customer. Complaints regarding the difference in scale weight will not be entertained.

- 21.8 The customer shall arrange wherever necessary for bailing the loose goods into compact units for facilitating weighment and transportation. The customer shall not lift or remove any material, which is not conforming to the release order / delivery order. The customer shall remove the goods / lots only from the area earmarked / specified in the release order / delivery order and SAIL's decision shall be final and binding on the customer in this regard.
- 21.9 Customer should get acquainted with system and procedure of loading, weighment and dispatch of materials. They should also get conversant with approved route to be followed by trucks / trailers inside the plant.
- 21.10 All loading by customer must only be done in presence of authorized representative of Plant / Unit & CISF/competent agency.
- 21.11 Extension of delivery date :
In case, the customer fails to effect complete removal of goods from SAIL premises within the period mentioned in the release order / delivery order, SAIL may, on consideration of the merit of the case allow suitable extension of delivery period as per special terms & conditions of the concerned Plant / Unit.
If any goods for which release order / delivery order is issued could not be delivered to the customer within the stipulated time, either in full or in part due to reasons attributable to SAIL, SAIL may extend the date fixed for removal of the goods for a period as deemed fit by concerned Plant / Unit.

22 Shortage of goods :

- 22.1 Where goods are sold in lots and not in number or units, any reference to the quantity, quality, size, measurement number and weight in the notice or other documents shall not be a point of dispute and the customer shall have no claim against, SAIL for refund of whole or any part of the customer's money or for loss of profit, interest, damage or otherwise.
- 22.2 Where materials are sold by weight or number and the customer is denied delivery of the whole or a portion of the goods sold, he shall be entitled to make a claim for the proportionate refund to the sale value of the undelivered quantity. He shall not be entitled to claim any damages, loss, profit, interest or compensation on any account due to such short delivery.

23 Re-sale

Re-sale will not be recognized by SAIL. Acceptance of offers / Sale orders / Offer letters and Release orders / Delivery orders will be made out only in the name of actual customer.

24 Withdrawal of goods from sale

24.1 SAIL reserves the right to withdraw from the sale after advertising or after issue of acceptance of offer / sale order / offer letter for any item of any quantity of the materials by number or weight without assigning any reasons thereof to the customer. SAIL will not be responsible for any damages / loss whatsoever to the customer on account of such withdrawal.

24.2 SAIL reserves the right to dispose off any item by any other means even after inviting bids for sale of such materials by auction through internet.

25 Abandoned goods

The customer must effect complete removal of the goods from the site within the date specified in the release order / delivery order issued by SAIL. In case goods are not removed in full within the specified date, release order / delivery order for the left over quantity will be treated as cancelled. The goods so left over will be treated as abandoned goods at the risk and cost of the customer. SAIL will have full right on such abandoned goods and will be entitled to release or dispose off the same in any manner it deems fit without any reference to the customer. The customer will have no claim on goods treated as abandoned goods. In addition to forfeiting such abandoned goods, the value of the left over material will also be forfeited. Penal action shall be taken as per special terms & conditions. The customer shall further be held liable for all commission and other charges and losses suffered by SAIL, which may be recovered from the Security deposit or any other sum due to the customer.

26 Quantity Tolerance

In the event, goods are found in excess of the quantity specified in the release order / delivery order, SAIL may at its discretion offer the surplus quantity to the customer on the same rate, terms and conditions. The customer will be allowed to deposit the cost only after an amendment to that effect has been issued by SAIL. SAIL also has the right either to adjust the additional sale value from the Security Deposit or demand the customer to remit the additional amount due and obtain a valid receipt before removing the excess quantity.

27 Recovery of due

Any sum of money due and payable to the customer including security deposit (returnable to him under this contract) may be appropriated by SAIL and / or any unit of SAIL and adjusted against any claim / dues recoverable by them from the customer arising out of or under any other contract auction / tender made by customer with SAIL or any unit of SAIL.

28 Payment of Interest

No interest will be paid on the amount paid by the customer and subsequently found refundable under any of the condition mentioned herein.

29 In case the customer or his representative is found involved in any unlawful activity and unauthorized or wrongful removal of materials not sold or in case of any attempt for such removal, this shall amount to breach of contract and SAIL shall be entitled to cancel the contract and forfeit the entire Security Deposit. They shall be further liable for all the losses that might be caused to SAIL on account of such unlawful activity and unauthorized / wrongful removal. In such cases SAIL may initiate proceedings for banning of business dealing with such customer as per procedure prevailing in the Plants / Units.

30 Damage to plant / unit properties

The customer shall be fully responsible for any loss / damage that may be caused to the premises, equipment, machinery, and other installations of that plant / unit in the course of removing the lot / lots bought by him, and the customer is fully liable to reimburse to SAIL the cost of the such damages. SAIL fully reserves the right to recover the cost of such damages including recovery from any sum due to the customer.

31 Entry passes to plant / unit

Admit passes / Area passes / Gate passes / Permission in case of CMO will be issued only to the authorized representative of the customer and equipment / handling machinery to be used by the customer by the DIG, CISF / Competent authority of respective plant / unit, on the recommendation of the officer-in-charge, concerned department. The customer and their workers following shortest official route should go to the authorised place of their work. Free movement of customer and their handling machinery like trucks, cranes etc., and their workers on the strength of the admit pass / area pass / gate pass / permission in case of CMO issued for particular area / place is against security act. Customers are advised to enforce this requirement strictly and restrict their movement to the place / area specified in the admit passes / area passes / gate passes / permission in case of CMO. Strict observance of precautions under the Public Security Act, may please be noted and also notified to the staff of the customer and workers. In case of necessity to proceed to an area, other than the one noted in the admit passes / area passes / gate passes / permission in case of CMO, it is invariably necessary to get new area added in the admit passes / area passes / gate passes / permission in case of CMO by the officer of the issue. The equipment / handling machinery will be taken out of SAIL premises by the customer or their representative at his cost either on expiry of Admit / Area / Gate passes / permission in case of CMO or completion of work which ever is earlier. These equipment / handling machinery should not be used for any other purpose except as mentioned in the Admit / Area / Gate passes / Permission in case of CMO for the same. Any breach in the enforcement of safe custody and improper use of the passes / permission in case of CMO would entail termination of the sale at any stage at the risk and cost of the customer.

32 Illegal gratification

Any bribes, commission, gifts or advantage given, promised or offered by or on behalf of the bidder / customer or his partner, agent, or servant to any officer, servant, representative, or agent of the company in relation to the obtaining or to the execution of this or any other contract with the company for showing or for bearing to show favor or disfavor to any person shall be resulting into the cancellation of this contract.

33 Compliance of Labour Laws and Safety Rules

- 33.1 During the period the customer's workers deputed within the plant / unit premises, will be governed by the labour laws and rules, Factory Act and rules and SAIL Plant / Unit's Security rules and safety rules as applicable and it shall be the responsibility of the customer to ensure that the statutory provisions are complied with fully.
- 33.2 The customer shall provide and ensure proper use of safety appliances by his personnel. He shall be liable for any damages or compensation

payable in respect of or in consequence of any accident or injury to any of the personnel employed by the customer or his subcontractor. The customer shall at all times indemnify SAIL against all claims, or compensation under the provision of Workman's Compensation Act, 1923 or any other law for the time being in force.

- 33.3 Customer shall take full responsibility and include in his bid all costs of ensuring compliance of the safety norms right from the initial stage as well as providing safe working conditions to his workmen and / or any other persons employed by him at site i.e. either inside the plant / unit or outside SAIL's premises within the quoted price. He shall also ensure that the safety and health of the employees, plant / unit and any other property of the company, as well as other contractors working in the vicinity are not affected by his activities. He will also ensure that all equipments and other materials / supply etc. brought by him at site i.e. either inside the plant / unit or outside SAIL's premises as per the terms of the contract are safe to the workmen in accordance with the relevant Act (including its latest amendments).
- 33.4 SAIL has to be indemnified against any accident / injury to the workmen deployed by customer or engaged by SAIL and damage to plant / unit & machinery that may occur in course of loading of materials and customer shall provide safety appliances as required to the workforce at his cost.
- 33.5 Safety Appliances, Training, Precautions
The customer shall supply all types of safety appliances and maintain the same in good working conditions. The customer shall appraise the site personnel in regard to various risk and hazards associated with their job. In addition, customer shall also include safety consciousness amongst his personnel and provide necessary training.
- 33.6 The customer shall take full responsibility for accidents caused due to his / her or his agent's or employee's negligence or carelessness in regard to observance of the safety requirement and pay compensation for injuries / loss of life as per statutory rules promptly.
- 33.7 The customer shall be fully responsible for the safety of his workmen and employees. The customer shall however, follow all instructions and direction that the Safety Engineering Department of the concerned Plant / Unit may issue from time to time in regard to safety measures and shall be responsible for reporting without delay all accidents, however and where ever occurring in the works to the Safety Engineering Department of the concerned Plant / Unit. The customer shall also assist the said department in regard to the enquiry and implementation of safety measures.
- 33.8 The customer must abide by the security as well as Safety rules of the

Company as may be obtained by the competent authority of the Company from time to time.

33.9 Violation of safety requirements

In the event of violation of safety requirements, company may direct stoppage of work and direct the customer to remedy the defects or supply the facility / equipment as the case may be. The customer shall not proceed with the work until he has complied with such directions to the satisfactions of the Concerned Authority / Safety Dept. The above provisions are also without prejudice to any other right that the company may have against the customer for contribution or any other action including recovery of any damage that may be caused to or suffered by the company either under relevant statute or any other law of India as may be applicable, in the facts and circumstances of an individual case in the event of any injury to any person who may be either an employee of the company or a contract labour or any other person within the premises of the company's factory / mines for any act of omission by or on behalf of the customer in relation to the discharge of obligation for the customer under the contract.

33.10 Where applicable and loading / dismantling / processing of the lot is allowed, the customer shall be responsible for security / safety of the workmen like the lifters, labourers, drivers of trucks, loaders etc., engaged by him, for which customer shall have to observe all safety rules inside the company premises and Plant / Unit shall in accordance with this condition accepted by customer, stand indemnified against any accident / injury to the workmen deployed by him, that may occur in course of processing, dismantling, handling, loading, transportation etc. of the material. Customer shall provide safety appliances to the workforce at his cost.

34 All important communication with customer shall be through letters / couriers / faxes / emails and / or notices put up in notice board at concerned Plant / Unit and it will be the obligation on their part not to overlook such notices. Any plea of ignorance of such notices / letters put up in the notice board at concerned Plant / Unit shall not be acceptable.

35 Third party insurance / Indemnity Bond

35.1 It shall be the responsibility of the customer for effecting necessary insurance under the Indian Workmen's Compensation Act, Third Party Liability Insurance or any other insurance in accordance with the relevant laws and regulations, at his own cost.

35.2 SAIL shall not be responsible for any damage to the trucks / trailers / other handling equipment etc. suffered by the customer while executing the contract. The customer in his own interest shall obtain suitable and sufficient cover from underwriters and no claim / correspondence on this

account shall be entertained by SAIL.

- 35.3 The customer shall conform in all respects with the provisions of any statute, ordinance or laws and the rules, regulations, bye-laws of any local or other duly constituted authority which may be applicable in carrying out the contract. The customer shall assume responsibility for and shall indemnify and save SAIL of all liabilities, claims, costs, expenses, attorney's fees and Court costs which are or may be required with respect to any breach of any such statute, ordinance, law, rules, regulations or for which the customer has assumed responsibility under the contract.
- 35.4 The customer must take a third party insurance covering losses / damage to premises, equipment, machinery and other installation of the SAIL Plant / Unit, wherever applicable, as well as any accidents / deaths of either the SAIL Plant / Unit employees or to the customer's workmen. The sum insured / indemnified will depend on cost of equipment, machinery and other installations at the site wherefrom material is to be lifted and / or after dismantling etc. wherever applicable, the number of employees etc. and will be specified in the acceptance of offer / sale order.

36 Death, Bankruptcy etc.

If the customer shall die, dissolve or become bankrupt or insolvent or cause or suffer any receiver to be appointed on his business or any assets thereof or compound with his creditors, or being a corporation commence to be wound up not being a members' voluntary winding up for the purpose of amalgamation or reconstructions, or carry on its business under a receiver for the benefits of its creditors or any of them, the legal successor shall intimate SAIL in writing of such happening within one week from the date of such event and SAIL shall be at liberty to cancel or terminate the contract of sale forthwith upon coming to know of the happening of any such event as aforesaid by notice in writing to the customer or to the receiver, liquidator or any person, in whom the contract may become vested or to give such receiver, liquidator or other person the option of carrying out the contract of sale subject to his providing a guarantee for the due and faithful performance of the contract of sale.

37 Conciliatory Body

In case of any dispute & prior to appointment of Arbitrator, the point of dispute will be reviewed by a conciliatory body which will be formed with one representative from Plant / Unit of SAIL, one representative of the party and a representative of Legal Cell of respective Plant / Unit.

38 Arbitration Clause

- 38.1 All questions, claims, disputes or differences of any kind whatsoever

arising out of or in connection with or concerning this contract, at any time, whether before or after the determination of this contract, other than questions, claims, disputes or differences for the decision of which specific provisions have been made in the foregoing clauses of these conditions (hereinafter referred to as "excepted matters" and decision on which excepted matters according to the said specific provisions shall be final and binding on the parties to this contract and shall not be re-opened or attempted to be reopened on the ground of any informality, omission, delay or error in the proceeding or on any other ground whatsoever) shall be referred by the parties hereto for the decision by a sole arbitrator to be appointed as hereinafter mentioned.

- 38.2 The notice regarding the invoking of the arbitration clause shall be served by the parties hereto by registered post / courier at their address given in the contract.
- 38.3 Matters in question, dispute, claim or difference other than the excepted matters in respect of this contract to be submitted to arbitration as aforesaid shall be referred for decision to a sole arbitrator to be appointed by Chief Executive of the Plant / Unit in which arbitration is invoked.
- 38.4 In case the designation of the Chief Executive is changed or his office abolished, the officer who for the time being is entrusted with the functions of the Chief Executive, SAIL by whatsoever designation such officer is called, shall be the person designated to appoint the Sole Arbitrator. The arbitrator so appointed shall adjudicate upon the disputes between the parties hereto.
- 38.5 The sole arbitrator appointed as stated above, shall from the time of his appointment and throughout the arbitral proceedings, without delay, disclose to the parties in writing any circumstances likely to give rise to justifiable doubts as to his independence or impartiality provided that the mere fact that such sole arbitrator is an employee of the SAIL, Plant / Unit shall not be regarded as such circumstance. The arbitrator shall decide the questions, claims, disputes or differences submitted to him by the parties in accordance with the substantive law for the time being in force in India.
- 38.6 The arbitrator shall hear the cases independently and impartially and shall not represent the interest of any party.
The venue of arbitration shall be decided by the arbitrator.
- 38.7 The question of procedure for conduct of the arbitration proceedings shall be decided by the Arbitrator in consultation with the parties before proceeding with the reference. The arbitrator may hold preparatory meeting(s) for this purpose. In the preparatory meeting(s) aforesaid the arbitrator in consultation with the parties shall also determine the manner of taking evidence, the summoning of the expert

evidence and all such matters necessary for the expeditious disposal of the arbitration proceedings. The arbitrator shall be entitled to actually incurred expenses only, in respect of preparatory meeting(s).
