5. General Rules and Regulation governing conduct of online Auction on the Service Provider platform

Introduction:

This online forward Auction is being conducted for TATA PROJECTS Limited on the Auction Platform of mjunction services ltd.

The general rules and regulations provided herein govern the conduct of on line forward Auction

arranged by Service Provider on its Auction platform. These rules cover the **roles and responsibilities** of the Bidders in the online forward Auctions on the Auction platform.

Bidders are advised to read through the key terms pertaining to the online forward Auction as provided in the Catalogue.

Role of Service Provider

The role of the Service Provider is outlined below:

- i. It is the agency (operator) primarily providing the service of the forward auction to the Client.
- ii. Finalization of the auction items in consultation with the Client.
- iii. Defining of Bidding Rules for each auction in consultation with the Client.
- iv. Enhancing Bidder awareness of and comfort with the auction mechanism and Bidding Rules.
- v. Input of the Auction items and defining the bidding rule in the auctionengine.
- vi. Providing access to the Bidder(s) to participate in the Auction.
- vii. Conduct or extension of Auction time in consultation withClient.
- viii. Summarizing the Auction proceedings and communicate the outcome to the Client.

The responsibility of fulfilment of the contract rests between the Successful Bidder and the Client and the responsibility of the Service Provider shall be restricted to the extent of the services provided by them.

Role of Bidder

The role of the Bidder is outlined below:

- i. The Bidder would participate in the auction with the aim of bidding to secure the auctioned item in the auction.
- ii. The Bidder would be provided access to the Auction through a User ID protected by a Password. The Bidder needs to ensure that the User ID and Password is not revealed to unauthorized persons. Bidders are also requested to change the password allocated to them by the “Service Provider” to keep their confidentiality. However, it would be Bidder’s sole responsibility to ensure the security and privacy of the same and he/they would not hold the Client or Service Provider responsible in any manner whatsoever for any misuse of these user IDs and/or Password. Access to the auction mechanism shall be provided to all the approved Bidders subsequent to obtaining their written consent to the terms and conditions of this Catalogue.
- iii. Bidders are strongly advised to exercise due diligence while placing bids. Failure to honour the bids placed during online bidding shall render the Bidders liable for penal action as deemed fit by Client.
- iv. Successful Bidder shall commit to fulfil terms and conditions under thisCatalogue.

- v. The Bidders shall bid based on the terms specified in this Catalogue and place their bid in the Auction Engine in the manner specified by Service Provider. Bidders shall not stipulate any conditions on their own unless the terms of the catalogue expressly permit such conditions being stipulated by the Bidder. Bids entered with conditions attached shall be considered conditional bids & the Client retains the right of rejecting these bids.

Bidding Rules:

The Bidding Rules refer to the information and terms defined specifically for a particular auction. The purpose of the Bidding Rules is to provide approved Bidders with the information and terms specific to the auction in which they are bidding. This would include, but not limited to:

- a) Any extension of the duration of the auction in the event of bids being received towards the end of the pre-specified duration
