TERMS & CONDITIONS

The JSL hereby appoints the Auctioneer in India, to provide for the online display and additional hosting facilities, conducting and managing the auctioning of the Products to the Bidders through the E-Auction Market Place and maintenance of E- Auction Market Place in order to achieve the business objectives of the JSL to e- auction the Products to various Bidders.

1. **Material specifications:** Bidders are advised to satisfy themselves about the quality/grade of materials before bidding.

2. **Earnest Money Deposit:**

a) Customers willing to participate have to deposit Non-Interest bearing earnest money deposit (EMD) of 5,00,000 (Five Lakhs) in favour of Mjunction services limited. EMD of 5,00,000 (Five Lakhs) will not be adjusted along with the total LOT Value payment. Customers will have to make 100% payment after LOT Confirmation.

b) All pages of the catalogue along with LOI to be duly signed and stamped by the bidder. The interested parties are advised to read and fully understand the contents of each page of the catalogue. **Submission of signed and stamped LOI by the customer through fax/email/physical submission is construed as acceptance of all terms and conditions of the online forward auction by the customer.**

Only the Bidders who have paid the entire sum of the refundable EMD along with the LOI will be allowed and be eligible for participation in the e-auction through the E-Auction Market Place.

3. **Products for Auction:**

3.1 The JSL intends to auction the Products as provided in **LOT wise List**.

3.2 A Bidder shall not be allowed to select partial quantity formal to Products and 100% selection of a particular lot of Products shall be compulsory. The frequency and lot size of the Products shall be decided by JSL; however, Auctioneer shall provide necessary advice and assistance to the JSL in this regard.

4. **Bidding Process:**

4.1 After the receipt of the bids for the Products by the JSL through the Online Portal, the JSL shall examine all the bids and send the confirmation to the Auctioneer regarding the successful bidder within One Working Day.

Accordingly Auctioneer shall inform the successful bidder. The Bidder will have to deposit the total value (Basic+Taxes+Duties+Freight) within 3 working days to the bank account of the JSL details of which as specified in Clause 6 below. Upon receipt of the total value JSL shall intimate the '**OrderNo.**' To the Customer and deliver the Customer Products to the address given by the Customer. In case the Customer fails to make the payment, the JSL may take appropriate legal action against the Customer for recovery of outstanding dues and may claim back the Customer Products, without prejudice to any other right available in law, equity or otherwise. In such case Earnest Money will be forfeited by JSL without any prior intimation to the customer.

4.2 Customer are requested to quote "**BASIC**" Prices only excluding of "**EXCISE DUTY, FREIGHT & Any other applicable taxes**" for each and every category of material as per the enclosed List. Start Bid Prices given is **BASICRs/Kg(Ex-Mill)**.

4.3 Start time of auction : 11.00 Am

5. **Delivery Period and Payment:** For every Order, the JSL shall arrange to deliver the Customer Products on **as is where is and no claim basis** directly to the Customer within 10(ten)working days.

The JSL further reserves the right to cancel the e-auction or reject any bid at any time without assigning any reason thereof and without any costs, risks or consequences.

5.1 The turnaround time for realization of total value from a successful Bidder, as per the auction shall be fixed at 3(three) Working Days. In case the successful Bidder doesn't pay the total value within 3(three) working days after the acceptance and confirmation of the bid by the JSL, the JSL shall reserve the right to forfeit the entire EMD amount and offer the Products to the other Bidders who have bid through the EAuction Market Place or to any other person, at its sole discretion.

5.2 The JSL shall be responsible for delivery, logistics and transportation of the Customer Products to the Customer.

5.3 Local VAT at the prevailing rate will be applicable for sale within the state of the material location.

CST will be applicable for sale outside the state of the material location.

Sale outside state : 2% with Form "C". CST 5% without Form "C". In this case security deposit of 3% will have to be submitted to JSL. Customer will claim refund from JSL after submission of requisite C-Form.

5.4 JSL guarantees atleast 80% of the material availability for each and every lot as per the enclosed material list.

6. The Bidder shall deposit the Payment to the following bank account of the JSL, details of which are as below thru DD or RTGS.

GENERAL RULES AND REGULATION GOVERNING CONDUCT OF ONLINE AUCTIONS ON THE "SERVICE PROVIDER" PLATFORM

INTRODUCTION :

This Online Forward Auction is being conducted for Jindal Stainless Limited (hereinafter referred as the "**Client**") on the Auction Platform of Mjunction Services Limited (hereinafter referred as "**Service Provider**").

The General Rules and Regulations provided herein govern the conduct of Online Forward Auctions arranged by "**Service provider**" on its Auction Platform. These rules cover the **roles and responsibilities** of the parties in the online Forward Auctions on the Auction Platform. **Acceptance and strict adherence to these General Rules and Regulations governing conduct of online auctions and General Terms and Conditions for Sale of Materials from The JSL, is a pre-requisite for securing participation in the online auctions.**

The key terms pertaining to the online Forward Auctions are provided in the "**Annexure-B**". Prospective bidders are advised to read through the same.

ROLE OF "SERVICE PROVIDER"

1. "Service Provider" is the agency (operator) primarily providing the platform and service of the online Forward auction to the "client".
2. Finalization of the auction items in consultation with the client.
3. Defining of bidding rules for each auction in consultation with the client.
4. Enhancing bidder awareness of and comfort with the auction mechanism and bidding rules.
5. Input of the Auction items and defining the bidding rule in the auction engine.
6. Enlarging the successful bidder base by introducing new bidders.
7. Collection of EMD, Letter of Interest etc. from the willing bidders and forwarding the same to the Client.
8. Providing access to the approved bidders to participate in the Auction.
9. Summarizing the Auction proceedings and communicate the outcome to the Client.

The responsibility of fulfillment of the contract rests between the bidders and the client and the "Service Provider" shall not be held responsible in this respect.

ROLE OF BIDDER

The role of the bidder is outlined below:

1. The bidder would participate in the auction with the aim of bidding to secure the auctioned item in the auction. The bidder would be provided access to the Auction through a "User ID" protected by a "Password". The bidder needs to ensure that the "User ID" and "Password" is not revealed to unauthorized persons. Bidders are also requested to change the password allocated to them by the "Service Provider" to keep their confidentiality. However it would be bidder's sole responsibility to ensure the security and privacy of the same and he/she would not hold the "Client" / "Service Provider" responsible in any manner whatsoever for any misuse of these user IDs and/or Password. Access to the auction mechanism shall be provided to all the approved bidders subsequent to obtaining their written consent to the General Rules & Regulations and the Letter of Interest. Payment of EMD/Security Deposit (SD) **as decided by the client** before the start of the Forward auction will be one of the necessary conditions for participating in the auction.
2. Bidders hereby confirm that they shall commit to lift the item (being bid for) at the price entered by them in the auction engine AND at the terms and conditions specified herein by the Client. All Prices entered shall be legally binding on the bidders. Bidders are strongly advised to exercise due diligence while placing bids. Failure to honour the bids placed during online bidding shall render the bidders liable for penal action as deemed fit by "Client" / "Service Provider".

3. In the event of winning an allotment in the auction mechanism, the bidder shall commit to fulfill outlined obligations under the contract.
4. The bidders shall bid on the terms specified by the client & place their bids in the auction engine in the manner specified by "Service Provider". The bidders shall not stipulate any conditions on their own unless the terms of the client (the client's terms & conditions) expressly permit such conditions being stipulated by the bidder. Bids entered with conditions attached shall be considered Conditional bids & "service provider" retains the right of rejecting these bids even without intimating the client.

BIDDING RULES

The Bidding Rules refer to the information and terms defined specifically for a particular auction. The purpose of the Bidding rules is to provide approved bidders with the information and terms specific to the auction in which they are bidding. This would include:

- Definition of the lot bidding
- Start Time and duration of the auction
- Any extension of the duration of the auction in the event of bids being received towards the end of the pre-specified duration
- Start Bid Price
- Specified Unit for Bidding
- Price Increments and any reduction in the price increment in the auction in the event of inactivity
- Other attributes (informational/non-negotiable in nature)

While it shall be the endeavour of "Service Provider" to specify these rules at the earliest for each online auction, the "Service Provider" shall retain the right to delay the announcement of these bidding rules or modify rules specified earlier at the time of the online bidding. These details would be available to the bidders on the Auction Engine at the time of bidding. Participation in the auction process presumes complete awareness and understanding of the bidding rules.

CONDUCT OF THE AUCTION:

Only those bidders who have been approved by the "Client" and handed over stamped and manually signed "General Rules and Regulations governing conduct of online auction along with Letter of Interest, required EMD amount and other necessary documents to the "Client" / "Service Provider" within the specified time will be given "Login ID" and "PASSWORD" to enable them view and participate in online auction.

The Auction shall be conducted on pre-specified date. The Key Terms pertaining to the conduct of Auction such as "START TIME", "DURATION", "END TIME" AND "AUTO EXTENSION FACILITY" Shall be specified separately for each Auction.

"Service provider" retains the right to cancel or reschedule the auction, with the approval of the Competent Authority of the Client, on any of the following reasons:

- The number of confirmed bidders is deemed insufficient to conduct the auction.
- Some of the confirmed bidders are unable to access the module due to infrastructure problems such as sustained power failure or telecommunication breakdown.
- There are no bids which are equal to or below Start Bid Price.
- Any other reason which in the opinion of "Service Provider" / "Client" requires such action to be initiated.

The duration of auction may also vary from the pre-specified period of time either on account of termination of the auction by "Service Provider" on the advice of the Client

Or

In case of situations where it is felt that continuance of the auction proceedings is prejudicial to the smooth conduct and / or the integrity of the auction process.

Or

due to Auto Extension during the Auction, duration may increase from specified period.

In the event of any problems being faced in the smooth conduct of the auction, "Service Provider" with the approval of the Competent Authority of the Client, shall have the right to undertake one or more of the following steps:

- 7 -of 32

6. Cancellation/ premature termination of the auction with/ without a subsequent rerun of the auction on a mutually decided date
7. Cancellation of a bid
8. Locking / deactivate a bidder's account (suspension of operations in the account), etc.

LIABILITY OF "SERVICE PROVIDER"

"Service Provider" shall not be liable to the client/ bidders participating in the auction or any other person(s) for:

- Any breach of contract by any of the parties in the fulfillment of the underlying contract.
- Any delays in initiating the online auction or postponement / cancellation of the online auction proceedings due to any problem with the hardware / software / infrastructure facilities or any other shortcomings.

While, reasonable care and diligence will be taken by "Service Provider" in discharge of its responsibilities such as design of the online bid, communication of bid details and rules, guidance to client/ bidders in accessing the Auction Engine and placing bids, etc. the bidders shall specifically indemnify "Service Provider" from all liabilities for any shortcomings on these aspects.

It is clearly understood that these activities are undertaken by "Service Provider" to assist the bidders in participation but the ultimate responsibility on all these counts lies totally with the bidders.

RIGHT OF THE CLIENT:

The Client reserves the right to partially or totally accept or reject any / all bids placed in the Online Auction without assigning any reason whatsoever. The decision of the client would be final and binding on the bidder in any such case.

CONFIDENTIALITY CLAUSE:

"Service Provider" undertakes to handle any sensitive information provided by the client or confirmed bidders for the auctions conducted with utmost trust and confidentiality.

JURISDICTION

Any disputes relating to the online auction module of "service provider" shall be subject to the exclusive jurisdiction of court at Kolkata only.

Freight Transportation Details:

Freight Rates -- Applicable for the auctions held from date 06/01/2014

Note ==> Rates are applicable for full truck load.
